

NEIGHBORHOOD SLOW STREETS

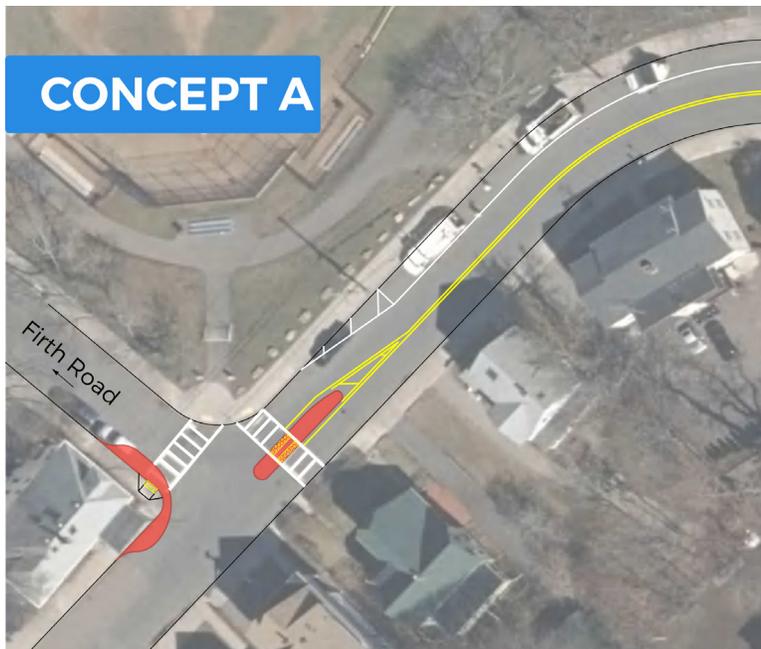

Focus Area: Florence Street at Firth Street

Our goals for this intersection are:

- ▶ Emphasize and improve crosswalks at the park entrance
- ▶ Allow for future change to the direction of Firth Street

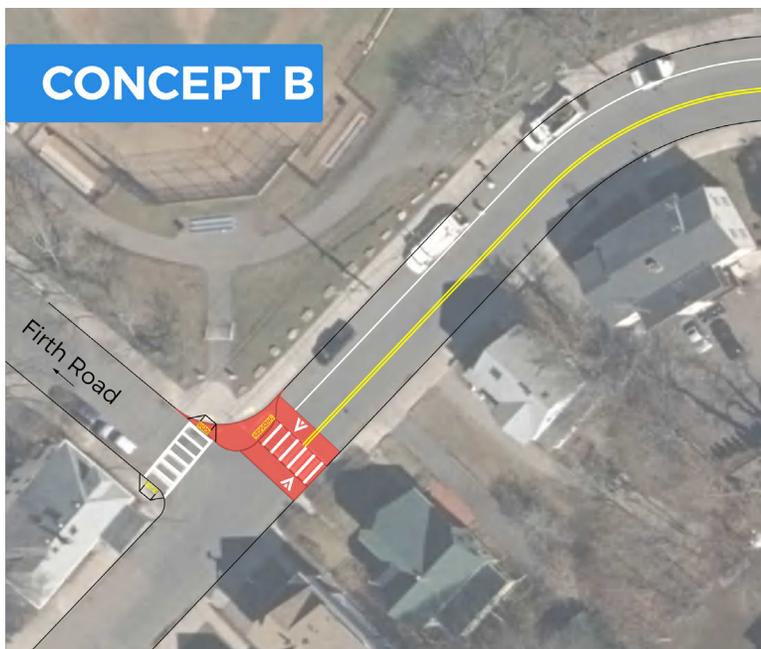

Concept A adds:

- ▶ Refuge island for the crosswalk across Florence Street
- ▶ Curb extensions on Firth Street to reinforce slower speeds for southbound drivers

Concept B adds:

- ▶ Raised crosswalk across Florence Street to slow drivers
- ▶ Curb extension to improve crosswalk accessibility for people with disabilities

Concept designs subject to change with advanced engineering
